Case No. C18-1634RSL

ORDER STRIKING MOTION TO
STRIKE

13
14 This matter comes before the Court on plaintiff's "Motion to Strike Defendant's
15 Separate Objections to Evidence." Dkt. # 45. Pursuant to Local Civil Rule 7(g),
16 objections to material contained in or attached to a motion "shall not be presented in a
17 separate motion to strike, but shall instead be included in the responsive brief and will be
18 considered with the underlying motion." Defendant's separate "memorandum" motion is
19 not authorized by the rules and, as defendant acknowledges, is duplicative of objections
20 properly raised within the confines of its response: the separately-stated objections are
21 therefore STRICKEN. The Court will not consider, and plaintiff need not respond to,
22 Dkt. # 39.
